Commissioner for Patents

The new drawings, filed September 22, 2009, in response to the "Notice to File Corrected Application Papers", are acceptable because said corrections are limited to the correction of informalities as stated in said Notice.

The amendments to the specification, filed September 22, 2009, will be entered as they only serve to align the disclosure with the new labeling of the new drawings.

Acknowledgement is made of applicant's request for waiver of 37 CFR 1.312 for Documents Required by the Office of Patent Publication, 1280 Off Gaz Patent Office 918 (March 23, 2004). Applicant's submission of new drawings and the amendment to the specification conforms to the terms of the waiver.
